

Activity 5.1: Identify Information on an IAP

Note: Refer to Handout 5-4: Central City Unrest IAP (page IG-43) for details.

Activity 5.1

Purpose

The purpose of Activity 5.1 is to allow students to practice reviewing an IAP and identify information pertinent to their operations. Students will review the Central City Disturbance IAP and answer questions regarding the IAP. The instructor will discuss and provide feedback for any pertinent elements to ensure that the students collectively comprehend the answer/explanation to each of the questions.

Objectives

Students will:

- Demonstrate their ability to identify pertinent information in an IAP.
- Develop an agenda and talking points for a Resource Briefing.
- Deliver a Resource Briefing.

Activity Structure

This activity is scheduled to last approximately 60 minutes, including small group discussions and presentations of group findings. In their groups, participants will be assigned a Division or Group from the Central City Civil Disturbance IAP and review the IAP. Participants will then answer questions about the IAP in their groups and report their answers to the instructor.

Rules, Roles, and Responsibilities

Following are the specific activities/instructions for your participation in the activity:

1. Instructors will assign work groups to one of the following Divisions/Groups from the Central City Disturbance IAP:
 - Branch I: Division Alpha (A)
 - Branch I: Division Bravo (B);
 - Branch I: Perimeter Group;
 - Branch II: Division Lima (L);
 - Branch II: Division Mike (M);
 - Branch II: Access Group; or
 - HAZMAT Group.

2. Within your work group, select a group spokesperson.
3. Review the Central City Civil Disturbance IAP. The IAP is Handout 5-4 in the course materials.
4. Upon complete of your review, answer the questions on the next page with your group members.
5. After 20 minutes of IAP review and discussion, the instructor will begin calling on group spokespersons for answers to the questions.

Facilitators moderate discussions, answer questions, and provide additional information as required.

NOTE FOR INSTRUCTORS: Some of the following questions may not pertain to or be answerable based on the content in the IAP. These “trick” questions have been included to generate discussion during the exercise debrief. Ask the students for their thought processes when attempting to answer these questions. Ask them to identify instances in which such information would be provided and where it would be provided in the IAP.

Schedule

Task	Duration	Participation Type
Activity Introduction and Overview	2 minutes	Classroom
Discussion / Documentation	20 minutes	Small Groups
Debrief / Review	40 minutes	Classroom

Review the Central City Civil Disturbance IAP (Handout 5-4) and answer the questions below.

What are the incident objectives?

What is the weather forecast?

How do I get to my work assignment?

What are my assigned resources? *Instructor note: This question is Division/Group specific; expect varying answers from the different work groups.*

What are my work assignments? *Instructor note: This question is Division/Group specific; expect varying answers from the different work groups.*

What are the safety hazards associated with my work assignment? What are the mitigations I need to put in place?

What radio frequencies are assigned, both command and tactical? *Instructor note: This question is Division/Group specific; expect varying answers from the different work groups.*

What are the general safety issues incident-wide?

What are the procedures that need to take place if there is an injury on my Division/Group?

What do I need to do to obtain air support?

Do my resources have any special logistical needs, and what am I allowed to do without consulting the OSC?

What are the Divisions and Groups doing around me? *Instructor note: This question is Division/Group specific to a degree; expect varying answers from the different work groups.*

Any special expectations of me from the OSC?
